# *foreword*

To the Seniors this has been the most memorable year in their school life. To the underclassmen this year has been just another step toward becoming a Senior. In these pages we have tried to capture some of the highlights of a year we will always remember. We hope that the contents of this annual will serve as a reminder of the exciting events, warm friendships, and happy years at Waynesville High. In the years to come, it is our hope that the 1956 Mountaineer will be your means of renewing old friendships. It is with this thought in mind that this year's Mountaineer is presented.

# LAST WILL AND TESTAMENT

We, the seniors of 1956, being in full knowledge of the fact that future graduates will never be able to equal our magnificent record and our outstanding accomplishments, do in due charity bequeath the following items to them in order that they might carry on the cherished traditions of a Waynesville High School Senior.

Article I. To the faculty:

To all our teachers, we, the class of '56, leave our deepest and most sincere appreciation for the help, guidance, and friendship you have given us throughout the years. Behind us are the many memories of Mrs. Hayes, Mrs. Edwards, the typing dollars, the parking lot, behind the wall, and Mr. Campbell. We sincerely hope you will never forget us, the class of '56, as we shall never forget you.

Article II. To the underclassmen:

To you, underclassmen, we leave the football and basketball games, the dances, and the responsibility of keeping Waynesville High the best High School in America.

Article III. To the deserving individuals:

We, Patsy Leatherwood and Nancy Long, leave our long friendship and our "swarping" good times to any rising seniors who can use that "mountain talk."

I, Florence McBride, leave my ingratiating smile to Katrina, my sister.

We, Betty Hoglen and Lewis Muse, leave our twelve years of perfect attendance to some first grader who has the determination of endurance.

I, David Kelly, leave my place on the football team to my double, Charlie Ballontine.

I, Bill Prevost, leave my New Year's resolutions to my cousin, Sonny, if he has the will-power to stick by them.
